Intro: **D**

- D** **Em**
1. I sailed a wild, wild sea / Climbed up a tall, tall mountain
D **A**
I met a old, old man / Beneath a weeping willow tree
D **Em**
He said now if you got some questions / Go and lay them at my feet
D **A**
But my time here is brief / So you'll have to pick just three

Chorus: And I said

D **Gmaj7**
What do you do with the pieces of a broken heart?
Gmaj7 **D**
And how can a man like me remain in the light?
D **D7**
And if life is really as short as they say
G **Gm**
Then why is the night so long
A
And then the sun went down
A
And he sang for me this song

D **Em**
Bridge: See I once was a young fool like you

D
Afraid to do the things
D
That I knew I had to do
A
So I played an escapade just like you
Em **A**
I played an escapade just like you
